RE: Heartgard Compliance Project
Factory 6, Barceloneta, Puerto Rico

Dear Mr. Sotero,

On Behalf of Merck & Co., Inc., I would like to commend Promise Enterprise on their contribution in support of the construction activities related to the execution Building 3/4 Factory 6 Heartgard Manufacturing/ Packaging Facilities that was recently completed. The commitment and dedication of your team to the overall effort in the Construction activities (installation of Takiron wall system) during this challenging and aggressive schedule proved to be essential in the successful project completion.

All of your team members showed special attention to safety and were instrumental in the success of the overall work. We are looking forward to a continued working relationship.
